

*Your team, the venue, service, and the food were outstanding. The night was a massive success story – and I cannot thank you enough for your support. Everything you have done has been amazing and enabled me to deliver an event everyone will remember. Please pass on my regards to all your staff, who again, were truly superb."*

*I just wanted to express my huge thanks for VSC hosting our Carstairs lunch yesterday in the Carisbrooke Hall. The feedback I had in respect of the venue, service and food was absolutely first class and as the organiser, I would ask that you pass my thanks on to you and all your staff who helped make the day such a success.*

*I hope the event worked well for VSC and would really like to pencil in a day for 2020 if you are happy to host us again next year. Have a great Christmas and Happy New Year.*

*It went according to plan! Thank you so much for your help, couldn't have done it without you and please forward my thanks to the staff, managers, and chefs that were there on the night too. They made sure everything was smooth running and was an amazing help!! Thank you so much!*

*Last Thursday, we held our Annual Briefing at the Victory Services Club as we have done since December 2006. Once again, it was a highly successful event and many of those attending have praised both the venue, the organisation and not least the delicious buffet lunch.*

*Over the years, the Club has vastly improved all of its facilities, but what has remained the same, is the very warm welcome we are given by all staff, who go about their duties with efficiency and good humour. It is somewhat unfair to pick out specific individuals as I know it is a team effort, but I would really like to highlight the contribution to our event by Ed Camargo, Frank Barr and Brett Gable without whom the day would not have run as smoothly as it did. This personal service is the reason we continue to return year after year.*
